We are grateful for your interest in participating in our 38th Sanger Sellabration held in downtown Sanger on

Saturday, September 10, 2016. This annual event is a highlight of the Sanger Community. The SACC has worked hard on providing a fun and successful Sellabration. We ask that all vendors be aware of, and in agreement with the following guidelines:

- 1. Booths and spaces are rented and assigned on a "First Come, First Serve" basis after FULL PAYMENT is received.** Deadline for entry forms and fees is August 31, 2016.
- 2. Arts and Crafts should be "Handcrafted".**
3. The Sellabration will be held regardless of weather and no refunds will be made.
4. Booth set up may begin after 6:00 AM Saturday, September 10, 2016 and must be completed by 8:00 A.M. Sanger Area Chamber of Commerce is not responsible for theft or vandalism. Please DO NOT Begin to dismantle displays prior to 4:00 P.M. Saturday. Break down of booths must be completed immediately after.
5. The chamber reserves the right to refuse vendor/exhibits which would in any way distract from the dignity of the event.
6. The chamber reserves the right to stop or remove from the event any individual or exhibitor, performing any act or practice which, in the opinion of the Chamber, is objectionable, interferes, or creates a health, safety or fire hazard.
- 7. All vendors/exhibitors are expected to conduct themselves in a polite and professional manner.** Any unruly conduct, refusal to follow rules, or use of foul language to event patron or event personnel will be considered grounds for expulsion from the event.
8. All items to be sold **must be listed** below on the application. Selling merchandise not pre-approved or deemed inappropriate for sale to children will be grounds for booth closure.
- 9. Vendors must supply their own electrical extension cords. The chamber is not responsible, nor will it arrange to provide any kind of labor for installation, removal or servicing of vendor/exhibit booth.**
10. All booths must use weighted tie downs and supports; use of stakes driven into the ground, pavement or concrete is **prohibited**.
